

VISITING STUDENT RESEARCH (VSR) PROGRAM

WHAT IS THE VSR PROGRAM?

A non-degree and non-credit research internship program that aims to enhance the capability of graduate students pursuing either a Master or PhD degree program to conduct a research along the research areas of SEAMEO RECFON under the supervision of the Centre's senior researchers and/or affiliated researchers.

WHO COULD BECOME A VSR?

Nationals of any SEAMEO member country who are officially enrolled in a reputable university in his/her country or abroad.

TYPES OF RESEARCH OPPORTUNITIES AND BENEFITS

VSR AS THE RESEARCH PROJECT PROPONENT

- VSR has a funding for his/her research project approved by his/her academic institution and related to SEAMEO REC FON's research areas: <http://www.seameo-recfon.org/research-area/>
- SEAMEO REC FON's senior scientists and/or affiliated scientists shall serve as host supervisor and external committee member of the VSR.
- Free use of SEAMEO REC FON's laboratory equipment (except consumables).

VSR AS A RESEARCH SUPPORT STAFF OF SEAMEO REC FON'S SENIOR SCIENTISTS/AFFILIATED SCIENTISTS

- VSR shall perform activities prepared by SEAMEO REC FON host supervisor related to the latter's research project.
- VSR shall not incur any expenses related to the research project of the host supervisor except for travel and daily living allowance while in Indonesia.

EXPECTED OUTPUTS

All Visiting Student Researchers are required to submit a final report and draft of manuscript on the outcome of their research affiliation with the Centre.

Notes:

- Authorship of the manuscript shall be the VSR, home supervisor, and host supervisor(s) from SEAMEO REC FON.
- Submission of the manuscript and the financial requirements for publication in a reputable journal shall be the responsibility of the VSR and/or his/her institution.

Requirements to Join VSR
